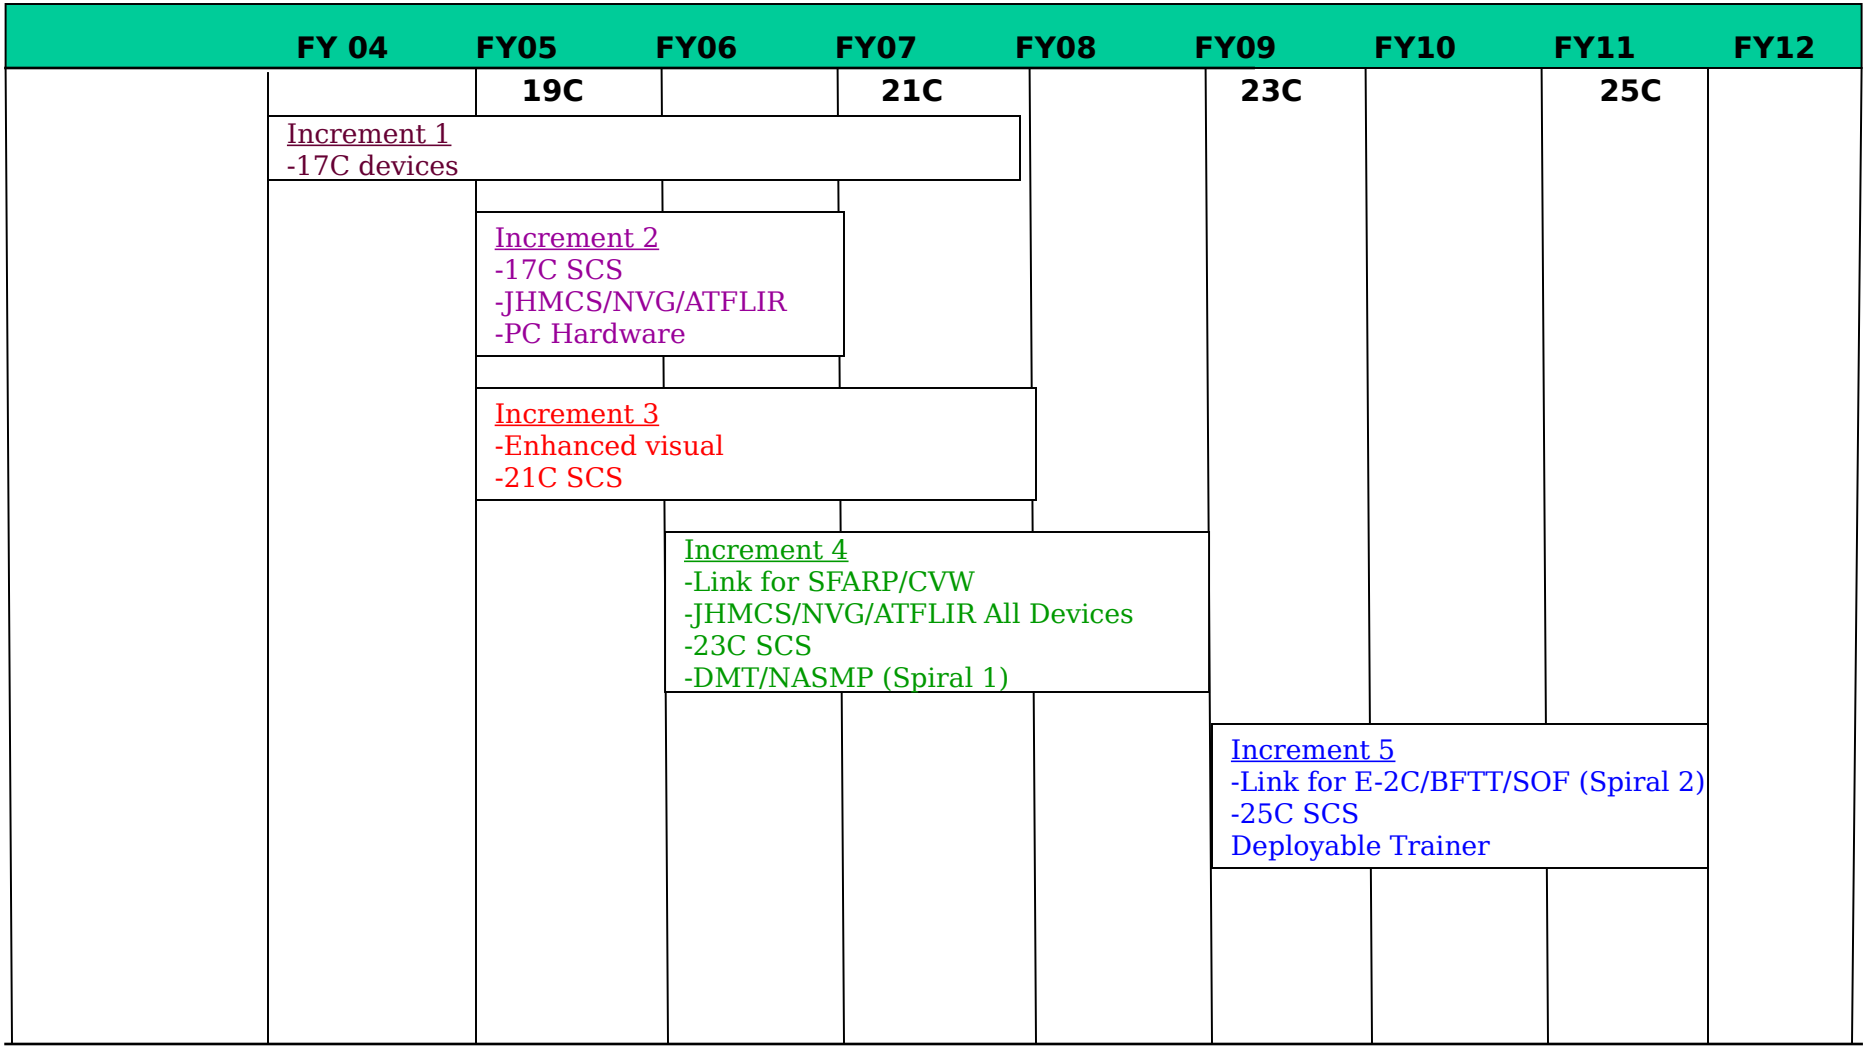
F/A-18 Training Systems

- The following F/A-18 C/D and F/A-18 E/F charts are a notional roadmap used for planning purposes only.

- Funding, although it may be identified, is subject to cuts during any time within any given Fiscal Year.

C/D

F/A-18 C/D Training Systems 2004-2011 Increment Timeline



Aviation Programs Branch

Description: Procure new FA-18 C & D trainers for FRS and Fleet
Training. Devices will require front and rear visual systems and be
compatible with the Navy Simulator Master Plan requirements.
Future: Procure incremental upgrades to all FA-18 C & D Trainers for FRS and Fleet Training, and maintain concurrency with aircraft hardware and software changes as directed. Procure a deployable Distributed Training Capability.

Issues: Funding dollars may be redirected.

Contribution Type: Operational Funding Range: $25M+

Contract Award Date: Dec 2004 RFP Date: July 2004
